PATIENTS — EMPOWER
YOUR PRACTICE
WITH DENTRIX

ENHANCED CLINICAL CAPABILITIES

Do more. Dentrix expedites processes, from the front office to the operator.

A VIRTUAL ASSISTANT

Using affordable recording devices and advanced artificial intelligence technology from Bola AI, **Dentrix Voice** assists everyone in your practice to capture dictation — from perio results to clinical notes and essential office correspondence — with 99.9 percent accuracy.

FEATURE-RICH PERIO CHARTING

The elegant, comprehensive design of **Dentrix Perio Chart** simplifies the charting process so obtaining all critical perio results is easier than ever.

SMART IMAGE ACQUISITION

Dentrix Smart Image automatically places diagnostic images in the patient file, tags them with the correct CDA codes and posts them to the ledger — connecting your clinical, operational and financial workflows.

CONVINCING TREATMENT PLANS

The case presentation tools in **Dentrix Treatment Planner** capture prioritized procedures, insurance deductibles and maximums, estimated coverage percentages and more to help patients say yes to recommended treatment plans today..

“ WITH THE TREATMENT PRESENTER, IT ALLOWS ME TO ORGANIZE THEIR OPTIONS ... IN A SIMPLE YET DETAILED MANNER. I CAN PRESENT THAT TO THE PATIENT SO THEY ACTUALLY HAVE A HARD COPY TO TAKE HOME.

—RITA LENGWENUS
TREATMENT COORDINATOR
CURRENT RIVER DENTAL,
THUNDER BAY, ONTARIO

“ I REALLY NEED TO BE ABLE TO MAKE FACTUAL, DATA-DRIVEN DECISIONS, SO I GENERATE SPECIFIC DENTRIX REPORTS DAILY AND MONTHLY TO BE ABLE TO SEE ON A MICRO LEVEL THE HEALTH OF THE CLINIC AND THEN ON A MACRO LEVEL HOW THE CLINIC IS ABLE TO TREND. ”

—ALI AFZAL
OPERATIONS MANAGER
CENTURY CROSSING DENTAL CENTRE,
SPRUCE GROVE, ALBERTA

INSIGHTFUL REPORTING

You can only improve what you can observe. Powerful Dentrix reporting gives you the visibility you need to achieve your goals.

AN ADVISOR IN A REPORT

Developed with practice management consultants, the **Practice Advisor Report** compiles your practice data into concise, easy-to-read reports with clear recommendations.

Armed with a better understanding of your practice's strengths, weaknesses and opportunities, you can make the business decisions that bolster profits.

KEEPING DAILY OPERATIONS ON TRACK

The **Dentrix Daily Huddle Report** helps you get the most out of patient visits. Use it every day to discuss the schedule, spot potential roadblocks, identify patients who are behind on continuing care and make a plan to collect on overdue accounts.

COMPREHENSIVE DATA

Dentrix Reports Module offers reporting and analysis on 14 topics to help you understand the complexities of your practice. With a clean, consistent format, each report helps you quickly understand and act on what's most important.

Benefit from advanced reporting on accounts receivable trends, collecting, new patients, insurance payments, adjustments, provider scheduling, referrals, practice goals, production forecasting, patient recall and more.

EFFICIENT FRONT OFFICE TOOLS

Make your patients — and your team — happier with easier scheduling, convenient interoffice communication and faster checkout.

STREAMLINED SCHEDULING

Every practice is unique. That's why the Dentrix Appointment Book allows you to organize and customize your calendar to work the way you do. Only Dentrix includes a **Perfect Day** scheduling feature to balance each day's production.

IMPROVED INTEROFFICE COMMUNICATION AND DOCUMENTATION

Dentrix helps your front office quickly find the information they need, from benefit statements to X-rays. With the **Document Center**, you can import, organize and sign digital documents — which are all stored in your Dentrix system for easy access.

FASTER CHECKOUT

To further speed up patient checkout, the **Dentrix Ledger** automatically calculates insurance benefits, generates claim and payment windows, and creates walkout statements.

PRACTICE DEVELOPMENT YOUR WAY

Keep your team performing their best with Dentrix training options that fit your practice needs.

IN-OFFICE AND REMOTE TRAINING

Our certified Dentrix trainers have a wealth of in-office experience to train you and your team on the latest practice management tools — from the very basics of your software to an in-depth look at the many features that can help you maximize your investment.

INSTRUCTOR-LED WORKSHOPS

Get in-depth training at hands-on Dentrix workshops throughout Canada on practice management, continuing care, billing and collections, and more.

MASTERY TRACKS*

Dentrix Mastery Tracks courses offer flexible education as your team improves the Dentrix skills that relate directly to their daily responsibilities.
