

The Dentrix Smart Start Bundle includes:

- The industry-leading Dentrix Practice Management System
- Smart Start consulting to assist with in-office trial conversion, workflow analysis and other planning—plus on-site or remote support the day you go live
- In-office or remote training covering all key areas, including scheduling, A/R, clinical, etc.
- Introductory Dentrix Profitability Coaching Sessions to guide you to greater profitability

CHOOSE A PARTNER THAT HELPS YOU ACHIEVE GREATER SUCCESS.

Dentrix, by Henry Schein One, offers the Dentrix Smart Start Bundle*, which combines the Dentrix Practice Management System, expert training and coaching, and key industry insights to help you achieve successful outcomes for your additional practice.

As part of the Smart Start Bundle, Dentrix will provide an expert trainer and coach who will guide you from purchase through successful implementation by providing: in-office or remote consultation and training; guided online learning modules and assessments; and expert coaching to build your Dentrix competency. With this bundle, you can leverage your partnership with Dentrix to increase your office efficiencies and productivity, and guide your practice on the path toward greater profits.

Dentrix has a dedicated team of experienced trainers and coaches who can help you achieve a successful start to your new office's Dentrix journey. Our experts will train your team and help you understand and manage on a regular basis the key performance indicators (KPIs) of your practice that lead to success.

Take advantage of the Smart Start Bundle and speak with a Dentrix consultant today about this limited-time offer.
